Blonde Lager

Bitterness	11 IBU
Yeast	Saflager S-23
OG	1.0476-1.0484
FG	1.0080-1.0088
Colour	Yellow

A yellow coloured, crisp beer with a genuine lager yeast. This is a true all-malt lager brewed with no adjuncts. The yeast provided will ferment well at 9-15°C, but will provide good lager characteristics up to 24°C.

Brown Ale

Bitterness	15 IBU
Yeast	Nottingham
OG	1.0496-1.0504
FG	1.0116-1.0124
Colour	Brown

A traditional, medium-bodied English style Brown Ale. Pleasantly roasted, mid-bodied malt profile with low hop flavour and aroma and moderate hop bitterness. Slight yeast-derived fruitiness.

Continental Pilsner

Bitterness	23 IBU
Yeast	Saflager S-23
OG	1.0496-1.0504
FG	1.0096-1.0104
Colour	Gold

A balanced, well rounded, golden European-style lager with a noticeable hop profile and all-malt character.

Cream Ale

Bitterness	13 IBU
Yeast	Safale US-05
OG	1.0476-1.0484
FG	1.0128-1.0136
Colour	Deep Gold

A medium-bodied, slightly fruity, North American ale style. Deep golden colour with a delicate hop aroma and flavour. A smooth and easy drinking beer style.

Double Oatmeal Stout

Bitterness	28 IBU
Yeast	Safbrew S-33
OG	1.0545-1.0550
FG	1.0196-1.0211
Colour	Dark , Opaque

An opaque, full-bodied ebony ale. Moderate to high hop bitterness combines well with a pleasant roast malt character, subtle malt sweetness and slight hop flavour. The addition of two types of oats leads to a creamy, robust mouth-feel and full texture.

West Coast India Pale Ale

Bitterness	42 IBU
Yeast	Safale US-05
OG	1.0560-1.0600
FG	1.0120-1.0160
Colour	Deep Gold

A strong, North American-style India Pale Ale with a pronounced malt character, abundant hop flavours and aromas, and is deep gold in colour. This wort has a flavour profile that is second to none in the realm of homebrewing.

Pale Ale

Bitterness	25 IBU
Yeast	Nottingham
OG	1.0500-1.0508
FG	1.0124-1.0132
Colour	Deep Gold

A deep golden coloured hoppy, fruity English style pale ale. Presents pleasant flavours and aromas of fresh finishing hops, which balance well with a bready malt profile and moderate body.

Red Ale

Bitterness	13 IBU
Yeast	Safale S-04
OG	1.0492-1.0500
FG	1.0132-1.0144
Colour	Red-Amber

Irish style Red Ale. Attractive red-amber colour. Moderate malt body and pleasant mild sweetness. Moderate hop bitterness, mild hop flavour and low hop aroma. A step towards darker beers, without the roasted components.

Wheat

Bitterness	9 IBU
Yeast	Safale S-04
OG	1.0460-1.0468
FG	1.0120-1.0128
Colour	Light Straw

A clean North American style wheat beer. Light straw colour and low hop bitterness. Refreshing and thirst quenching.
