American Pale Ale

Bitterness	35 IBU
Hops	Citra, Simcoe, & Cascade
OG	1.048 - 1.054
FG	1.004 - 1.010
Colour	Deep Gold

It can be said that this beer is an IPA reinvented. Aromatic hops such as Citra, Simco, and Cascade are generously used to contribute to the pleasant aroma. It's a pale colored beer.

Cascade Blonde Lager

Bitterness	50 IBU
Hops	Cascade
OG	1.038 - 1.042
FG	1.007 - 1.011
Colour	Gold

Cascade has refreshing tones of grapefruit and citrus notes that is iconic. Wheat is added to give it a roundness and a beautiful creamy head. The Quebec grown Cascade hops give this beer a character that true beer lovers will appreciate.

IPA

Bitterness	76 IBU
Hops	Chinook, Cascade, Styrian Goldings
OG	1.054 - 1.058
FG	1.012 - 1.016
Colour	Copper

A copper-colored beer with malt and caramel flavors. When you take a sip, a fresh hop blast slowly fades away and the malt creeps up gently. A refreshing, lingering after taste will appeal to fans of IPA.

Northern Brown Ale

Bitterness	50 IBU
Hops	Chinook, Cascade, Styrian Goldings
OG	1.048 - 1.052
FG	1.004 - 1.008
Colour	Brown

A beer with hints of caramel, biscuits, and well balanced on the hop side. It is endowed with a beautiful amber color and generous portion of hops.

Scotch Ale

Bitterness	23 IBU
Hops	Northern Brewer
OG	1.056 - 1.060
FG	1.014 - 1.018
Colour	Deep Red

The Scotch Ale honors the Scottish tradition as our brewer studied and professionally brewed in Scotland. This beer that reminds him of the Highlands and the mysterious side of Scotland. It is soft and has a peaty and smoky taste with a perceptible mild bitterness.

Stout

Bitterness	48 IBU
Hops	Northern Brewer, Chinook
OG	1.048 - 1.052
FG	1.016 - 1.020
Colour	Black

This Stout will let you discover the joys of its Irish tradition. Its deep black colour as well as its creamy and abundant foam are characteristic of a stout. It has powerful chocolate and coffee flavors. Its bitterness makes it a beer for savvy amateurs.

White / Belgian Wit

Bitterness	16 IBU
Hops	Northern Brewer
OG	1.043 - 1.047
FG	1.008 - 1.012
Colour	Pale Yellow

This white, being pale yellow and slightly hazy is above all thirst quenching. A slight acidity adds to its unique fruity character. Typical of the Belgian Wit Beers with curaçao orange and coriander notes.

White Raspberry

Bitterness	9 IBU
Hops	Northern Brewer
OG	1.043 - 1.048
FG	1.008 - 1.012
Colour	Hazy / Pink

Slightly pink, with the fruity aroma of this noble fruit, the mix of acidity and fruity makes it perfect for parties with friends. Fermentis' yeast K97 will produce a mellow and memorable beer.

White IPA

Bitterness	46 IBU
Hops	Chinook, Cascade, Styrian Goldings
OG	1.046 - 1.052
FG	1.008 - 1.012
Colour	Hazy / Pale Yellow

This slightly hazy beer is in the White IPA style. Specific aroma descriptors include black pepper, licorice, curry and subtle citrus. It should please anyone that enjoys hoppy beers!
